

"Soon after I began to take Wine of Cardui I could see that I was beginning to get back my strength."

That is the comment Mrs. Seymour makes.

If you are sick you can take Wine of Cardui and secure health and strength. If other medicines and other treatment have failed, that will make no difference. Few women have taken Wine of Cardui at first. By far the greater number of Wine of Cardui cures are women who could not secure relief elsewhere. All druggists sell \$1.00 bottles of Wine of Cardui.

WINE of CARDUI

No. 48 Straight St., GRAND RAPIDS, MICH.

I am pleased to endorse Wine of Cardui as I found it so beneficial to restore my strength after my baby was born. I could not seem to get well enough to be up and able to do my work, and as I had been in bed for six weeks this was rather serious, but soon after I began to use Wine of Cardui I could see that I was beginning to get back my strength. In another week I was able to sit up most of the day and in a month I was able to be up and do most of my work. I think it is a splendid medicine for a woman and can certainly give it highest praise.

TROY CHEMICAL CO.,

Gentlemen:—In September, 1904,

while in a race my horse Harry Temper was bumped on the left fore tendon with a bike wheel, causing a bad bruise, which left an enlargement.

During the fall, winter and spring I tried all sorts of liniment and blisters without satisfactory results, and I was afraid he would not stand training on that account. Seeing your ad. for "Save-the-Horse" in the Horse Review I concluded to give it a trial. I commenced using it about June 1, and commenced to jog him and started him into hard training June 15, and within six weeks after I began the use of "Save-the-Horse" there was no sign of weakness or enlargement of the tendon, and he stood up to all kinds of hard training and racing without showing any weakness whatever. That tendon is as strong and clean as it ever was.

I have only used about one-third of a bottle. Yours Very Truly,
J. B. TRAVIS.

"Save-the-Horse" Permanently Cures Spavin, Ringbone (except low Ringbone), Curb, Thoroughpin, Splint, Shoe Boil, Wind Puff, Injured Tendons and all lameness without scar or loss of hair. Horse may work as usual.

\$5.00 PER BOTTLE. Written guarantee—as binding to protect you as the best legal talent could make it. Send for copy and booklet. At druggists and dealers or express paid. Scores of letters to confirm and convince. Send for copies. Absolute and overwhelming evidence and certainties as to the unfailing power of "Save-the-Horse."

Warm, Debilitating Weather

Many people, after a long spell of oppressive heat, suffer from lassitude, loss of spirits, and a general "run down" feeling.

They need a course of Ayer's Sarsaparilla, a medicine which has revived and restored to active life and health thousands of such sufferers. A lady who recently returned to England from South Africa writes concerning this "wonderful medicine":
"While in Cape Town the past summer I suffered greatly from the long-continued heat. I was completely worn out; my blood seemed to become as thin as water, and I lost all energy and interest in life. My friends recommended

Ayer's Sarsaparilla

and a course of this wonderful medicine restored my health and spirits. My husband suffered in the same way as I did, and he also was greatly benefited from the use of Ayer's Sarsaparilla."

There are many imitation Sarsaparillas. Be sure you get "AYER'S."
